ICONS

Grandvalira by @rosacoleit_design

(ENG) This collection of classic icons derives its timelessness from the organic shape of its shade. Mounted off-center top a slender stem, light emanates from below and above. On its articulated arm, light is precisely directed.

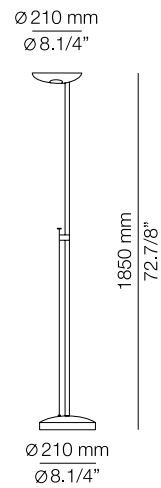

(ESP) Esta colección de iconos clásicos debe su atemporalidad a la forma orgánica de su pantalla. Descentrada en la parte superior de una delgada varilla, la luz emana verticalmente. En el brazo articulado, la luz es dirigida de forma precisa y funcional.
